Resource corner facilitates job seekers’ acquisition of the necessary job search skills and employment information.

Job seekers can find the latest vacancy information by making use of the “Job Easy” touch-screen Vacancy Search Terminals and job cards on display.

Fax machines, telephones and computers with Internet functions and résumé-building software are available in the centre to enable job seekers to complete the job-hunting process in one go.

Job fairs and various employment programmes assist job seekers to find suitable jobs.
Unit 401, 4/F, Tin Ching Amenity and Community Building, Tin Ching Estate, Tin Shui Wai (near LRT Tin Yuet Station)
