

## 4 Electrical Work Safety

### 電力工作安全三部曲 關掣 | 上鎖 | 貼告示

#### 3 STEPS TO ELECTRICAL WORK SAFETY: SWITCH OFF • LOCK UP • POST NOTICE

- Switch off
- Lock up
- Post notice

## Enquiries

If you wish to enquire about this leaflet or require advice on occupational safety and health matters, please contact the Occupational Safety and Health Branch of the Labour Department:

Telephone : 2559 2297  
(auto-recording service available outside office hours)

Fax : 2915 1410

E-mail : [enquiry@labour.gov.hk](mailto:enquiry@labour.gov.hk)

Information on the services offered by the Labour Department and on major labour legislation is also available on our website at <http://www.labour.gov.hk>.

## Complaints

If you have any complaints about unsafe workplaces and work practices, please call the Labour Department's occupational safety and health complaint hotline at 2542 2172. All complaints will be treated in the strictest confidence.

## Safety Hints for Construction Workers

For Yourself And Your Family  
Follow Work Safety Rules

For your own self and your family, stay alert at all times and take appropriate safety measures for accident prevention.

# 1 Work-above-ground Safety

Mobile working platform

Hop-up platform

Step platform

- Use suitable working platforms such as mobile working platforms, step platforms and hop-up platforms for work above ground
- Never use ladders for work above ground

# 2 Wear Safety Harnesses and Attach Them to Secure Anchorages

- Attach the safety harness to an independent lifeline with a fall arrester or to a fixed anchorage (e.g. eye bolts)

# 3 Wear Safety Helmets with Chin Straps Fastened

- Fasten the chin strap of your safety helmet for maximum head protection
